

Parent Reading Survey September 2017

At Farrington Academy we value our links with parents and carers and are keen to have your input. Evidence shows that reading at home is an essential part of children's education – it boosts fluency and confidence and helps children to access their learning at school. With this in mind, please could you complete this short survey about reading at home. Many thanks for your continued support.

1) Year group(s) of your child/children:

N, R, 1, 2, 3, 4, 5, 6
