Dear Parents/Carers,

At Farringdon Academy, we know how important it is for teachers and parents to work together to give your child the best start. Reading together at home is one of the easiest but most important ways in which you can help your child. In addition to this, the more they see you read and show an interest in books, the more they will want to read.

Therefore, to start the autumn term we would like to invite parents, carers and grandparents into to school to spend some time reading with your child. We will be opening our doors from **Monday 11th to Friday 15th September at 3:00pm-3:10/3:15pm** so we hope you can come along and join us in as many sessions as you can.

In these sessions, you can spend time with your child choosing and reading books from our libraries or listening to them read to you. The teacher and teacher assistants will also be reading stories to small groups in the class and will be there to support you with any questions.

Finally, I would like to say that we know how very busy you must be but we and your child would love you to join us next week in school.

Thank you for all the support you give to your child and to Farringdon Academy.

Yours sincerely

Miss Forster
