**Re: Autumn Homework Project**

Dear Parent/ Carers,

We would like to invite you and your child to take part in our Reading Homework project. As you know may already know this year we are focusing on developing our passion for reading. We would like the children to create a piece of their own learning linked to either their favourite author or book which they can bring to school to share. This learning can be presented in any form for example: a model, information book, and leaflet, piece of art work or using ICT and photographs etc. If you have any photographs of you and your child working together; it would be appreciated if we could use them as part of our display.

The aim of the project is to encourage children to delve deeper into reading and share that interest with friends and family at home and we actively encourage parents to be involved with this project.

Where possible we can provide materials to help complete your project and please feel free to see a member of staff about this. The deadline for the Homework project will be Friday 13<sup>th</sup> October 2017 and children who return their projects will have the opportunity to win Book tokens to spend books.

Thank you for your continued support with your child's learning.

Sincerely

Mrs L. Clarke
