

### Week Beginning 19.11.18

In Literacy, children have started to look at non chronological comparative reports. They will be comparing two planets within our solar system. They have begun to research the planets from books and from the internet. We have also looked at use of comparative and contrasting conjunctions.

In Maths, children have been recapping fractions and fractions of amount. Children have been working hard on improving their times table knowledge as this is paramount to the use and application of fractions.

In our topic, we have started our Art topic on conveying mood using colour. We have looked at paintings by Salvador Dali and his surreal dream-like content. The children are loving it so far and have produced some amazing preparation sketches.

#### **Treasure Chest:**

In 5S, Lacey received the treasure chest for her amazing reading skills and for moving up a book stage.

In 5H, Grace for being extremely hard working. Well done girls.

Y5S won the trophy this week for best attendance! Keep it up
