Week Beginning 4.3.19

This week we have been practising for our class assembly. We have worked hard on an original script which incorporates all of our learning in year 5 so far.

In Literacy, we have begun our new topic 'Is it Fair?'. We have decided to study Fairtrade in Geography, but have linked in our writing through the story of Snow White. Often fairy-tale endings are somewhat unfair and the 'bad' character is left unexplored. The children will be looking at the character of the queen from a different point of view.

In maths we have been looking at multiplying by 10 100 and 1000.
