

## Nursery Blog - Autumn 2

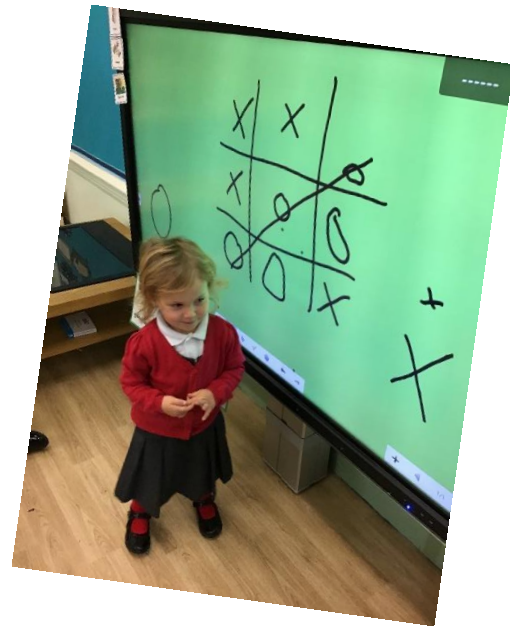

This term our topic has been Transport. We have been learning about different types of transport. We have read *The Naughty Bus*, *The Train Ride* and *You Can't Take an Elephant on the bus*.

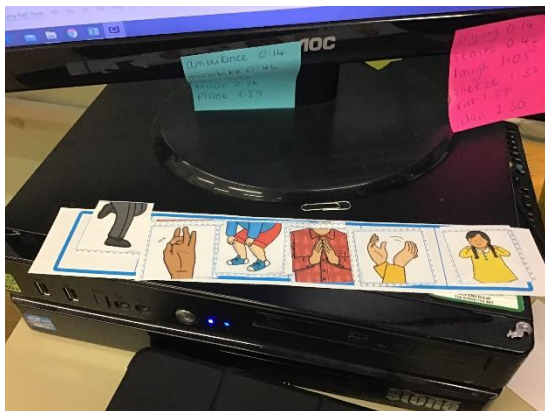

As part of our transport project, the children made different vehicles at home.

In Maths, we have been continuing with Number of the Week - we have now been introduced to numbers up to 5. Here are photos of some of our number work.

In phonics, we have been exploring environmental sounds, instrumental sounds and body percussion sounds. We have enjoyed making patterns of sound using our bodies.

Our favourite five this term have been We're Going on a Bear Hunt, The Gruffalo, The Snail and the Whale, Where the Wild Things Are and Funnybones.

We have enjoyed learning all about Transport this term. We look forward to our new topic Traditional Tales in the Spring term.
