Re: World Book Day 2021

Dear Parents/ Carers,

As a school we are continuing to explore ways of enriching the curriculum to develop a love of reading for our children. Therefore, on Thursday 4th March 2021 the whole school will be celebrating World Book Day at home and at school.

The aim of the day is to engage children in reading a range of books that are both familiar and new to them. As part of this engagement, the children are invited to come into school dressed as their favourite book character or if they please, they can come in their own clothes. They can do this at home too!

The children will be taking part in a number of activities in school and online throughout the day linked to a famous author or illustrator, they can take part in the Great Potato Decorating Competition and design and create a book character using a potato and they will be having fun with our own Masked Reader Competition.

As always we will have lots of fun so keep an eye open on Farringdon Academy website to see any images of the competition winners and the wonderful work our children have done.

Yours sincerely,

J Forster

Miss Forster
