Friday 3rd December 2021.

Dear parents and carers,

Just some reminders for the last two weeks of term. We can't believe we're fast approaching Christmas already!

Changes to leaving school site

We reviewed our risk assessment, and made some changes to how Nursery and Years 2,4,5 and 6 enter and exit the school site. A letter was sent out about this previously.

All pupils and parents continue to enter school via the Key stage 1 entrance both in the morning and at home time. This has not changed (this enables us to identify any pupils who are late and help get them into school safely.)

However, once on the school playground parents and carers are free to leave via whichever gate they choose. At home time, older children who have permission to walk home may leave also leave via the gate that is most convenient to them.

No changes have been made to Reception, Year 1 or Year 3 routines. They remain the same.
